**CORRECTED<sup>1</sup> AMENDMENT AND RESPONSE TO OFFICE ACTION UNDER 37**

**C.F.R. 1.111**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This paper responds to the Office Action dated August 11, 2004. Claims 1-2, 6, and 10 are pending. Claims 1-2 and 10 stand rejected under 35 U.S.C. § 103 as allegedly unpatentable over a combination of patents including Raven et al. (U.S. Patent No. 5,429,361) and Elliot (U.S. Patent No. 5,036,461). Initially, Applicant

---

<sup>1</sup> This paper corrects a minor clerical matter in the original Amendment and Response to Office Action Under 37 C.F.R. § 1.111 filed January 12, 2005. Specifically, in response to the Notice of Non-compliant Amendment dated March 4, 2005, underlining has been eliminated from new claim 18.

notes that the Office Action apparently overlooks claim 6, which is still pending. Only claims 3-5 and 7-9 were previously canceled by the Preliminary Amendment filed November 13, 2001.

Without acquiescence in the grounds of the rejection, and without prejudice to pursue at a later time, Applicant has amended herein independent claim 1 to clarify the subject matter being claimed, and canceled claim 10. It is believed that claims 1-2 are thereby placed in form for allowance, and that claim 6, as originally presented, is likewise allowable. In addition, new claims 11-22 have been added.

Accordingly, please amend this application as shown herein. In view of the amendments and accompanying remarks, reconsideration of the present rejection is respectfully requested.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 3 of this paper.

**Remarks** begin on page 9 of this paper.
